

TR's Traveling Trunk Road Show

Pre-Presentation Lesson Ideas:

- Create a **K-W-L** chart on TR (What We **K**now, What We **W**onder and What We **L**earned)
- Either read the TR books to your class or have the children read them on their own
- Have students write two questions they have about TR
- Use a world map to help your students locate important places in TR's life (ex. Africa- Safari, Panama- Canal, etc.)
- Use a map of Long Island and have the students find Oyster Bay. How do you think TR traveled from Manhattan to Oyster Bay?
- Begin a "Then and Now" T- chart on which students will compile "now" information regarding transportation, communication, family entertainment, etc. The "Then" information will be added after the presentation and further study.
